MANAGEMENT INFORMATION CIRCULAR

for the Annual General and Special Meeting of Shareholders
to be held on June 28, 2024

GENERAL PROXY MATTERS

Solicitation of Proxies

This Management Information Circular (“**Information Circular**”) is dated May 15, 2024 and is furnished in connection with the solicitation by management of Graphite One Inc. (the “**Company**”) of proxies from holders (“**Shareholders**”) of common shares of the Company (“**Common Shares**”) for use at the annual general and special meeting of the Shareholders (the “**Meeting**”) to be held on Friday, June 28, 2024 at 9:00 a.m. (Vancouver time) at the offices of Farris LLP, Suite 2500, 700 West Georgia Street, Vancouver, British Columbia, V7Y 1B3 and at any adjournment or postponement thereof for the purposes set out in the accompanying notice of the Meeting (the “**Notice of Meeting**”).

The Company will use the Notice-and-Access Provisions (as defined below) to conduct the solicitation of proxies in connection with the Meeting. Proxies may also be solicited by telephone, facsimile, email or in person by directors, officers and employees of the Company who will not be additionally compensated therefor. The costs of soliciting proxies will be borne by the Company and brokers, nominees or other persons holding Common Shares in their names for others shall be reimbursed for their reasonable charges and expenses in forwarding proxies and proxy material to the beneficial owners of such Common Shares, except as otherwise provided herein.

Notice-and-Access

The Company has elected to deliver the materials in respect of the Meeting pursuant to the notice-and-access provisions (“**Notice-and-Access Provisions**”) concerning the delivery of proxy-related materials to shareholders found in section 9.1.1 of National Instrument 51-102 – *Continuous Disclosure Obligations* (“**NI 51-102**”), in the case of registered shareholders, and section 2.7.1 of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), in the case of beneficial shareholders. The Notice-and-Access Provisions are a set of rules that reduce the volume of proxy-related materials that must be physically mailed to shareholders by allowing issuers to deliver meeting materials to shareholders electronically by providing shareholders with access to these materials online.

The use of the Notice-and-Access Provisions reduces paper waste and mailing costs to the Company. In order for the Company to utilize the Notice-and-Access Provisions to deliver proxy-related materials by posting the Information Circular (and if applicable, other materials) electronically on a website that is not SEDAR+, the Company must send a notice to Shareholders, including Beneficial Shareholders, indicating that the proxy-related materials have been posted and explaining how a Shareholder can access them or obtain a paper copy of those materials from the Company.

In accordance with the Notice-and-Access Provisions, a notice and a form of proxy or voting instruction form has been sent to all Shareholders informing them that this Information Circular is available online and explaining how this Information Circular may be accessed, in addition to outlining relevant dates and matters to be discussed at the Meeting. This Information Circular has been posted in full on the Company’s website at <https://www.graphiteoneinc.com/annual-general-meeting> and under the Company’s SEDAR+ profile at www.sedarplus.ca.

The Company will send proxy-related materials directly to non-objecting Beneficial Shareholders, through the services of its transfer agent, Computershare Investor Services Inc. The Company does not intend to pay for the Intermediary to deliver to objecting Beneficial Shareholders the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* of NI 54-101 unless the Intermediary assumes the cost of delivery.

Any Shareholder who wishes to receive a printed paper copy of the Information Circular may request a copy from the Company at c/o Farris LLP, 25th Floor, 700 West Georgia Street, Vancouver, British Columbia, V7Y 1B3 or by email to the attention of Gordon Jang at gjang@graphiteoneinc.com. In order to ensure that a paper copy of the

Information Circular can be delivered to a requesting Shareholder in time for such Shareholder to review the Information Circular and return a form of proxy or voting instruction form prior to the deadline to receive proxies, it is strongly suggested that Shareholders ensure their request is received no later than June 14, 2024.

Appointment and Revocation of Proxies

The persons named in the accompanying form of Proxy are directors and/or officers of the Company. Shareholders desiring to appoint some other person (who is not required to be a shareholder of the Company) to represent him or her at the Meeting may do so either by inserting such person's name in the blank space provided in the Proxy and deleting the names printed thereon or by completing another proper Proxy. Such Shareholder should notify the nominee of his appointment, obtain his consent to act as proxy and instruct him on how the Shareholder's shares are to be voted.

A Proxy will not be valid for the Meeting or any adjournment or postponement thereof unless it is signed by the Shareholder or by his attorney authorized in writing or, if the Shareholder is a corporation, it must be executed under corporate seal or by a duly authorized officer or attorney of such corporation and delivered to the Company c/o Computershare Trust Company of Canada, the Transfer Agent and Registrar of the Company, (i) by mail using the enclosed return envelope or one addressed to Computershare, Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1; (ii) by facsimile to 1-866-249-7775; or (iii) by telephone at 1-866-732-8683, by no later than 9:00 a.m. (Vancouver time) on June 26, 2024, or two business days preceding the date of any adjournment or postponement of the Meeting. As an alternative to completing and submitting a proxy for use at the Meeting, a Shareholder may vote electronically on the internet at www.investorvote.com. Votes cast electronically are in all respects equivalent to, and will be treated in the same manner as, votes cast via a paper form of proxy. Shareholders who wish to vote using internet or by telephone should follow the instructions provided in the form of proxy.

A Shareholder who has given a proxy may revoke it, in any manner permitted by law, including by instrument in writing, executed by the Shareholder or by his attorney authorized in writing or, if the Shareholder is a corporation, executed by a duly authorized officer or attorney of such corporation and deposited with the Company c/o Computershare Trust Company of Canada, at the address specified above at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof or with the Chairman of the Meeting on the day of the Meeting or any adjournment or postponement thereof.

Registered Shareholders

Regardless of whether or not a shareholder plans to attend the Meeting in person, the Company strongly encourages that all Registered shareholders (a shareholder whose name appears on the records of the Company as the registered holder of Common Shares) vote by proxy.

Advice to Beneficial Holders of Common Shares

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold shares in their own name. Shareholders who do not hold shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In Canada, the majority of such shares are registered under the name of CDS Clearing and Depository Services Inc. (which acts as nominee for many Canadian brokerage firms). Shares held by brokers or their agents or nominees can only be voted upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker's clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial

Shareholder by its broker (or the agent of the broker) is similar to the form of proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) on how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge"). Broadridge typically prepares a machine-readable voting instruction form which is mailed to Beneficial Shareholders with a request that the Beneficial Shareholders return the forms to Broadridge or otherwise communicate voting instructions to Broadridge (i.e. by way of the internet or telephone). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. The Company does not intend to pay for the costs of an intermediary to deliver the proxy-related materials to objecting Beneficial Shareholders. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting - the voting instruction form must be returned to Broadridge or voting instructions communicated to Broadridge well in advance of the Meeting in order to have the Common Shares voted.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for purposes of voting Common Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and vote their Common Shares as proxyholder for the registered Shareholder should contact their broker or other intermediary, well in advance of the Meeting.**

Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia) certain of its directors and its executive officers are residents of Canada and certain of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Voting of Proxies

All shares represented at the Meeting by a properly executed Proxy will be voted on any ballot that may be called for and, where a choice with respect to any matter to be acted upon has been specified in the Proxy, the shares represented by the Proxy will be voted or withheld from voting in accordance with such specification. **In the absence of any such specification or instruction, the persons whose names appear on the Form of Proxy, if named as proxies, will vote in favour of all of the matters set out in the Notice of Meeting.**

The enclosed form of Proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and any other matters which may properly come before the Meeting. As of the date hereof, management of the Company is not aware of any amendments to, variations of or other matters to be presented for action at the Meeting. If, however, amendments, variations or other matters properly come before the Meeting, the persons designated in the form of Proxy will vote thereon in accordance with their judgment pursuant to the discretionary authority conferred by such Proxy with respect to such matters.

QUORUM FOR THE MEETING

At the Meeting, a quorum shall be two persons present in person, each being a Shareholder entitled to vote thereat or a duly appointed proxyholder or representative for a Shareholder so entitled, who, in the aggregate, hold at least 5% of the issued shares entitled to be voted at the Meeting. If a quorum is present at the opening of the Meeting, the Shareholders present or represented may proceed with the business of the meeting notwithstanding that a quorum is not present throughout the Meeting. If a quorum is not present at the opening of the Meeting, the Shareholders present or represented may adjourn or postpone the Meeting to a fixed time and place but may not transact any other business.

The record date for the purpose of determining holders of Common Shares is May 10, 2024. Only the Shareholders of record on that date are entitled to receive notice of and attend the Meeting and vote thereat on the basis of one vote for each Common Share held, except to the extent that a registered Shareholder has transferred the ownership of any Common Shares, subsequent to May 10, 2024 and the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he or she owns the Common Shares and demands, not later than 10 days before the Meeting, that his or her name be included on the shareholder list before the Meeting, in which case, the transferee shall be entitled to vote his or her Common Shares at the Meeting. The transfer books will not be closed.

Re-Approval of the Option Plan

The Company has an incentive stock option plan (the "Stock Option Plan") for directors, officers, employees and consultants of the Company and its affiliates previously approved by the Company's shareholders at the last annual general and special meeting of shareholders held on June 29, 2023. A copy of the Stock Option Plan is attached hereto as Appendix "A" and filed on SEDAR+ at www.sedarplus.ca. The Stock Option Plan is a "rolling" stock option plan that restricts the number of stock options that may be granted to a maximum of 10% of the issued Common Shares at the time of the stock option grant and is operated pursuant to the policies of the TSX Venture Exchange (the "TSXV" or the "Exchange"), including the requirement that rolling stock option plans, such as the Company's, be approved by Shareholders on a yearly basis.

Pursuant to the TSXV policies and applicable securities laws, the Common Shares underlying the options granted may be restricted from trading for a period of four months from the date of grant of the option.

Accordingly, at the Meeting, Shareholders will be asked to pass an ordinary resolution re-approving the Company's Stock Option Plan, attached hereto as Appendix "A". A summary of the material provisions of the Stock Option Plan are set out under the heading "Executive Compensation – Stock Options and Other Compensation Securities". A summary of some of the additional provisions of the Stock Option Plan are as follows:

1. the aggregate maximum number of Common Shares reserved for issuance pursuant to all security-based compensation granted to insiders of the Company ("Insiders") (as a group) in a 12-month period shall not exceed 10% of the issued and outstanding Common Shares at the time of the grant (unless the Company has obtained the requisite Disinterested Shareholder Approval (as defined in the Stock Option Plan));
2. the aggregate maximum number of Common Shares reserved for issuance pursuant to all security-based compensation granted to Insiders (as a group) at any point in time shall not exceed 10% of the issued and outstanding Common Shares (unless the Company has obtained the requisite Disinterested Shareholder Approval);
3. investor relations service providers may not receive any compensation involving the issuance or potential issuance of Common Shares, other than options;
4. options issued to investor relations service providers shall vest such that: (i) no more than 25% vest sooner than three months after the options were granted; (ii) no more than another 25% vest sooner than six months after the options were granted; (iii) no more than another 25% vest sooner than nine months after the options were granted; and (iv) the remainder of the options vest no sooner than 12-months after the options were granted;
5. no stock options may be granted under the Stock Option Plan that exceeds the aggregate maximum number of Common Shares reserved until the requisite yearly shareholder approval of the Stock Option Plan has been obtained;
6. the Stock Option Plan now contains "cashless exercise" and a "net exercise" provisions. The "cashless exercise" provision provides a mechanism for a brokerage firm to facilitate the exercise of a stock option by loaning funds to the optionee. The "net exercise" provision allows for a method of stock option exercise under which the optionee does not make any payment to the issuer for the exercise of their stock options and receives, on exercise, a number of shares equal to the value (current market price less the exercise price (less withholding taxes, if acceptable to the Company in its discretion)) of the stock option valued at the current market price. Pursuant to the TSXV Policy 4.4, the current market price must be the 5-day volume weighted average trading price prior to stock option exercise. The "net exercise" provision is not available for use by investor relations service providers;
7. any adjustment to options granted under the Stock Option Plan (other than in connection with a share consolidation or split), is subject to prior TSXV acceptance, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization; and
8. any amendment to reduce the exercise price or extend the term of options, if the optionee is an Insider at the time of the proposed amendment, will be subject to Disinterested Shareholder Approval.

The Board believes the Stock Option Plan is in the Company's best interests and recommends that the Shareholders approve the Stock Option Plan.

Form of Resolution

Shareholders will be asked to consider and, if deemed advisable, approve and pass the following ordinary resolution:

"BE IT RESOLVED THAT, subject to the approval of the TSX Venture Exchange (the "Exchange"):

1. The incentive stock option plan of the Company, (the “**Stock Option Plan**”) be and is hereby ratified and approved;
2. The Company is authorized to grant stock options under the Stock Option Plan in accordance with its terms;
3. The issued and outstanding stock options previously granted shall be continued under and governed by the Stock Option Plan;
4. The Company is authorized to prepare such disclosure documents and make such submissions and filings as the Company may be required to make with the Exchange to obtain Exchange acceptance of the Stock Option Plan; and
5. Authority is granted to the Board of Directors of the Company to make such amendments to the Stock Option Plan as are required by the Exchange to obtain Exchange acceptance of the Stock Option Plan.”

Approval of the ordinary resolution requires the affirmative vote of a majority of the votes cast in respect thereof by holders of Common Shares represented at the Meeting. **The persons designated in the enclosed Form of Proxy intend to vote FOR the re-approval of the Stock Option Plan.**

Re-Approval of the Omnibus Plan

The Company’s omnibus plan (the “**Omnibus Plan**”) was implemented effective May 3, 2021 and approved and ratified at the annual general and special meeting of Shareholders held on June 15, 2021 and re-approved at the last annual general and special meeting of Shareholders held on June 29, 2023. The Board determined that it is desirable to have a wide range of incentive awards, including restricted share units, deferred share units, performance units and other security-based awards (collectively, the “**Awards**”) to attract, retain and motivate employees, directors and consultants of the Company.

The Omnibus Plan is a fixed plan which reserves for issuance a maximum of 12,500,000 Common Shares of which 11,756,620 Common Shares have been reserved pursuant to the grants of 9,771,962 restricted share units (“**RSUs**”) and 1,984,658 performance share units (“**PSUs**”). As at May 15, 2024, there are 9,077,139 RSUs and 1,984,658 PSUs issued and outstanding. With the Company expecting to hire additional senior employees for its feasibility study and for the proposed construction, pending financing, of an advanced graphite materials manufacturing facility in Warren, Ohio, the Company is seeking shareholder approval to increase the number of Common Shares reserved for issuance under the Omnibus Plan from 12,500,000 to 13,800,000. The Common Shares reserved for issuance under the Omnibus Plan will not be deducted from the number of Common Shares issuable under the Stock Option Plan. Subject to the 10% rolling limit with the Stock Option Plan and receipt of shareholder approval for an increase in the number of Common Shares reserved for issuance under the Omnibus Plan to a maximum limit of 13,800,000 Common Shares, the Company will have the flexibility to grant and award Insiders any combination of Awards and options as appropriate and determined under the Company’s compensation policies.

At the Meeting, Shareholders will be asked to consider and, if deemed appropriate, pass an ordinary resolution (the “**Omnibus Plan Resolution**”) approving the Company’s Omnibus Plan attached hereto as Appendix “C”. A summary of the material provisions of the amended Omnibus Plan are set out under the heading “Executive Compensation – Stock Options and Other Compensation Securities”.

A summary of some of the provisions of the Omnibus Plan are as follows:

1. the aggregate maximum number of Common Shares reserved for issuance pursuant to all security-based compensation granted to Insiders shall not exceed 10% of the issued and outstanding Common Shares granted under the Omnibus Plan and the Company’s other security-based compensation plans, at any point in time (unless the Company has obtained the requisite Disinterested Shareholder Approval (as defined in the Omnibus Plan));
2. investor relations service providers may not receive any compensation involving the issuance or potential issuance of Common Shares, other than stock options;

3. no Award, or portion of an Award, may vest before the date that is one year following the date of grant, and vesting may only be accelerated in instances where a participant ceases to be an eligible by reason of death or a Change of Control (as defined in the Omnibus Plan);
4. the Board (or any appointed subcommittee) shall not have the discretion, power or authority to modify the terms or conditions of any Award that is intended to be exempt from the definition of "salary deferral arrangement" under subsection 248(1) of the *Income Tax Act* (Canada) if the exercise of such discretion would cause the Award to cease to be exempt from such definition;
5. for clarity, in instances where participants are entitled to receive Awards in lieu of dividends, the limits prescribed by Section 3.1(a)(i) of the Omnibus Plan apply;
6. no other security-based award may be granted under the Omnibus Plan unless such other security-based award is defined in, and in compliance with, the TSXV Policy 4.4;
7. in no event shall a participant have shareholder rights (including, without limitation, voting rights, any entitlement to dividends, or rights on liquidation) with respect to an Award until the actual underlying Shares are issued and registered to such participant;
8. subject to the terms of the Omnibus Plan, and the approval of the TSXV and/or the Shareholders (as applicable), the Board (or any appointed subcommittee) may: (a) allow unvested Awards to be treated as vested Awards upon a participant ceasing to be eligible for Awards under the Omnibus Plan by reason of death or a Change of Control, (b) provide that Awards with respect to certain classes, types or groups of participants will have different forfeiture, termination, continuation or other terms than other classes, types or groups of participants, (c) provide for the continuation of any Award for a period not exceeding 12-months, upon such terms and condition as determined by the Board or subcommittee, in the event that a participant ceases to be eligible for Awards under the Omnibus Plan; or (d) set out other terms for the exercise or termination of Awards in the event that a participant ceases to be eligible for Awards under the Omnibus Plan; and
9. the provisions surrounding amendments to, and termination of, the Omnibus Plan are as follows:
 - a. subject to approval by the TSXV, the Board may suspend or terminate the Omnibus Plan at any time, or from time to time amend or revise the terms of the Omnibus Plan or any granted Award without the consent of the participants provided that such suspension, termination, amendment or revision shall: (i) not adversely alter or impair the rights of any participant, without the consent of such participant except as permitted by the provisions of the Omnibus Plan; (ii) be in compliance with applicable law and the rules and policies of the TSXV; and (iii) be subject to Shareholder approval including Disinterested Shareholder Approval; and
 - b. the Board (or any appointed subcommittee) shall be required to obtain Shareholder approval or Disinterested Shareholder Approval (as applicable and if required by the rules and policies of the TSXV), to make the following amendments: (i) the addition of additional categories of eligible persons; (ii) any increase to the maximum number of Common Shares issuable under the Omnibus Plan except in the event of an adjustment pursuant to the terms of the Omnibus Plan; (iii) any amendment which extends the expiry date of any Award, with Disinterested Shareholder Approval being required if the participant is an Insider at the time of the proposed extension; (iv) any amendment which results in the reduction in the exercise price of an Award, with Disinterested Shareholder Approval being required if the participant is an Insider at the time of the proposed amendment; (v) any amendment resulting in a benefit to an Insider, which shall require Disinterested Shareholder Approval; (vi) any amendment to the amendment provisions of the Omnibus Plan; or (vii) any other amendment required to be approved by shareholders, or requiring Disinterested Shareholder Approval, under applicable law or the rules and policies of the TSXV.

The Board believes the Omnibus Plan is in the Company's best interests and recommends that the Shareholders approve the Omnibus Plan.

Form of Resolution

Shareholders will be asked to consider and, if deemed advisable, approve and pass the following ordinary resolution:
“BE IT RESOLVED THAT, subject to the approval of the Exchange:

1. The Company’s Omnibus Plan, as described and included in the Information Circular, pursuant to which the directors may, from time to time, authorize the issuance of up to 13,800,000 common shares of the Company to directors, officers, employees, and consultants of the Company in accordance with the Omnibus Plan, is hereby authorized, ratified, approved and confirmed, subject to final regulatory approval; and
2. Any one or more of the directors or officers of the Company is authorized and directed, upon the Board resolving to give effect to this resolution, to take all necessary steps and proceedings and to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things that may be necessary or desirable to give effect to the resolution.

Approval of the ordinary resolution requires the affirmative vote of a majority of the votes cast in respect thereof by holders of Common Shares represented at the Meeting. **The persons designated in the enclosed Form of Proxy intend to vote FOR the approval of the Omnibus Plan.**

EXECUTIVE COMPENSATION

Interpretation

For the purpose of this Statement of Executive Compensation:

“NEO” or “named executive officer” means each of the following individuals:

- (a) each individual who, in respect of the Company, during any part of the most recently completed financial year, served as chief executive officer (“CEO”) including an individual performing functions similar to a CEO;
- (b) each individual who, in respect of the Company, during any part of the most recently completed financial year, served as chief financial officer (“CFO”) including an individual performing functions similar to a CFO;
- (c) in respect of the Company and its subsidiaries, the next three most highly compensated executive officers other than the individual identified in paragraphs (a) and (b) at the end of the most recently completed financial year whose total compensation was more than \$150,000 for that financial year; and
- (d) each individual who would be a named executive officer under paragraph (c) but for the fact that the individual was not an executive officer of the Company, and was not acting in a similar capacity, at the end of that financial year.

Named Executive Officers

During the fiscal year ended December 31, 2023, the following individuals were NEOs of the Company:

- Anthony Huston, Chief Executive Officer
- Gordon Jang, Chief Financial Officer and Corporate Secretary
- Douglas H. Smith, Executive Chairman
- Michael Schaffner, Senior Vice-President, Operations
- Kevin Torpy, Vice-President, Mining

Performance Highlights in 2023

The Company has grown significantly over the last two years and is shifting from a primary focus on exploration to a multi-disciplinary focus that includes technical and economic studies as part of its feasibility study on the Company's Graphite Creek Property, including a proposed advanced graphite materials manufacturing facility expected to be located in Warren Ohio.

As part of this shift in focus, the Company plans to transform into a vertically integrated company. Graphite One's intent is to produce high-grade anode material for the lithium-ion electric vehicle battery market and energy storage systems, with additional production for a range of value-added graphite applications. As part of this transformation, in 2023, Graphite One achieved many milestones to position the Company for success in the future, including but not limited to:

- Awarded a Department of Defense ("DoD") grant of \$37.5 million to accelerate completion of the Company's feasibility study which is anticipated to be completed by the end of the fourth quarter of 2024 pending financing.
- Awarded a second DoD grant of \$4.7 million to develop a domestically sourced graphite-based fire foam suppressant to meet U.S. congressional mandates of replacing legacy suppressants known to be both hazardous to the environment and human health.
- Completed the largest exploration program in the Company's history with 57 holes completed for a total of 28,661 ft of drilling, including 5 geotechnical holes for the primary purpose of evaluating construction sites or hydrology conditions.
- Raised \$15.3 million in capital and \$5.0 million in debt. The debt was settled in exchange for the Company issuing to the lender a 1% net smelter production royalty attached to 133 Alaska state claims owned or leased by the Company. This settlement transaction leaves the Company debt-free.
- Advanced plans to create a graphite manufacturing facility in Warren, Ohio.

Executive Compensation Philosophy and Objectives

In connection with the business transformation described above, in order to successfully execute on the Company's mission of being a vertically integrated business, in 2023, the Compensation Committee reviewed and re-approved a compensation philosophy that is intended to attract, retain, and incentivize highly qualified individuals, while also aligning their compensation directly with long-term shareholder value creation. Specifically, the compensation philosophy aims to achieve the following objectives:

- Provide market competitive target compensation opportunities to executives.
- Balance incentivizing the achievement of short-term strategic objectives and milestones through the annual bonus program, with long-term shareholder value creation through the long-term incentive program.
- Retain and align executives' compensation with long-term shareholder value creation with the use of 3-year vesting periods.

When setting an individual's target compensation, the Company uses external market comparisons as a reference point, with specific positioning vs. market data based on a variety of factors (e.g., role / responsibilities, contribution / criticality to the organization, individual performance / potential, experience, Company performance).

Benchmarking

It is the Company's intention to provide total direct compensation packages to its executive officers that are competitive in the markets in which it competes for talent to ensure its executive officers are appropriately rewarded and retained. As a source of market context, the Compensation Committee worked in consultation with their independent advisor ClearBridge Compensation Group ("ClearBridge"), to establish a size-appropriate compensation comparator set of 15 companies (the "Peer Group").

The Peer Group was developed at the end of 2022 based on comparably sized companies (e.g., ~1/5 to 5x Graphite One's market cap), with a focus on both mining / graphite-related businesses, as well as other technology companies with whom the company competes for talent (e.g., battery-related technologies, electric component technologies, or other renewable energy technologies). The Peer Group was not changed during 2023. Specifically, the Peer Group consists of the following companies:

Peer Group Companies		
1. Eos Energy Enterprises	2. KULR Technology Group	3. Electrovaya
4. Romeo Power	5. Nouveau Monde Graphite	6. NextSource Materials
7. Advent Technologies Holding	8. Zentek	9. Laramide Resources
10. Nuvve Holding Corp.	11. Transphorm Technology	12. Beam Global
13. American Battery Technology Company	14. Westwater Resources	15. Northern Graphite

The Compensation Committee considered the Peer Group's compensation for comparable roles in reviewing and recommending executive compensation for 2023.

Elements of Executive Compensation

Compensation of NEOs for the year ended December 31, 2023 included a base salary, a short-term incentive plan ("STI") that provides an annual performance-based bonus, long-term incentives ("LTI") currently consisting of stock options, restricted share units, performance share units and other compensation such as group health benefits and cost-plus health benefits program. The Company believes that all of these components of compensation fit into the Company's overall compensation objectives to attract and retain talented executives, reward individual and corporate performance and align executive compensation with shareholders' interests.

Base Salaries

Base salaries are intended to provide a fixed source of compensation for the Company's NEOs. Base salaries are reviewed annually, with adjustments made as warranted based on a variety of factors including but not limited to Peer Group market context, job responsibility, and individual performance. Provided in the table below is a summary of the base salaries for 2023.

NEO	Base Salary at December 31, 2023
Anthony Huston, CEO	\$450,000
Gordon Jang, CFO and Corporate Secretary	\$285,000
Douglas H. Smith, Executive Chairman	\$275,000
Michael Schaffner, Senior Vice-President, Operations	\$350,000
Kevin Torpy, Vice-President, Mining	\$300,000

Short-Term Incentives ("STI")

Annual Performance Bonuses are designed to provide motivation to executive officers to achieve near-term corporate and individual objectives, and to reward them when such objectives are met or exceeded. NEOs can earn a Performance Bonus on the basis of individual and corporate performance. Performance Bonuses are paid at the discretion of the Board.

With respect to the 2023 financial year, the Board of Directors, following the recommendation of the Compensation Committee, awarded performance bonuses to the NEOs based on the following significant achievements:

- Receipt of two DoD grants totaling \$42.2 million.
- Completion of the largest drilling program in the Company's history with 4 times the drilling footage over 2022 drilling program.
- Raising \$15.2 million in capital and \$5.0 million of debt.
- Negotiating settlement of \$5.0 million in debt by issuing a 1% NSR to the lender on 133 Alaska state claims owned or leased by the Company.

- Continuation of the execution of the Company's plans to complete a U.S. supply chain solution.

The Compensation Committee recommended, and the Board approved, the short-term incentive awards for the year ended December 31, 2023 as detailed below.

NEO	Actual STI Award	As % of base salary
Anthony Huston, CEO	\$450,000	100%
Gordon Jang, CFO & Corporate Secretary	\$99,750	35%
Douglas H. Smith, Executive Chairman	\$206,250	75%
Michael Schaffner, Senior Vice-President, Operations	\$182,000	52%
Kevin Torpy, Vice-President, Mining	\$90,000 ⁽¹⁾	40%

(1) The STI had been prorated from Mr. Torpy's start date of April 1, 2023.

Long-Term Incentives ("LTI")

The Company's LTI program is intended to promote alignment of interests between employees and shareholders. The LTI program is also an effective tool to attract, motivate and retain employees through the opportunity to participate in the Company's long-term shareholder value creation.

The LTI plan provides guidelines for calculating incentive target awards for eligible employees based on their positions, long-term potential, and long-term contributions to Company success. Targets are set as a percent of each employee's base salary and are dependent on the employee's responsibilities and contribution to the Company's long-term performance.

The Board had previously awarded 100% of LTI awards in the form of stock options with immediate vesting. Starting in 2022, in order to increase the retention and alignment of the compensation program, the Board approved an LTI mix of 25% stock options and 75%-time vested RSUs and PSUs.

Stock Options have a 5-year term and vest one-third on the first, second and third anniversary of the date of grant. Stock options are inherently performance-based as they require stock price appreciation above the exercise price for the executives to receive any value. Performance orientation is increased, as executives only have 5 years to exercise.

For 2023, one-half (50%) of time-vested RSUs vest ratably over three years (one-third per year), and one-half (50%) of the time-vested RSUs vest on January 19, 2026. Time-vested RSUs enhance the retentive aspect of the program, while also directly aligning with shareholders on both the upside and downside.

The PSUs vest ranging from 0% to 100% on achievement of share price performance as follows: one-third vest, if the weighted average share price for ten (10) consecutive trading days prior to the vest date ("WASP") is between CA\$1.50 to CA\$1.75, two-thirds vest if WASP is between CA\$1.75 to CA\$2.00, and one-hundred percent vest if WASP is greater than CA\$2.00. No PSUs vest if WASP is below CA\$1.50.

The Board of Directors, following a recommendation from the Compensation Committee, awarded the following stock options, RSUs, and PSUs to NEOs during 2023:

NEO	Stock Options Awarded	Value of Stock Option Awards	RSUs Awarded	Value of RSU Awards	PSUs Awarded	Value of PSU Awards
Anthony Huston, CEO	702,608	\$375,000	1,144,463	\$843,750	381,488	\$281,250
Gordon Jang, CFO & Corporate Secretary	140,522	\$75,000	228,893	\$168,750	76,298	\$56,250
Douglas H. Smith, Executive Chairman	327,884	\$175,000	534,083	\$393,750	178,028	\$131,250
Michael Schaffner, Senior Vice-President, Operations	98,365	\$52,500	160,225	\$118,125	53,408	\$39,375
Kevin Torpy, Vice-President, Mining ¹	47,250	\$20,310	78,750	\$88,594	26,250	\$29,531

¹ Kevin Torpy's equity awards were prorated from April 1, 2023, his employment start date.

Due to the limited availability of Common Shares under the Omnibus Plan, the Company issued two separate equity awards on January 19, 2023 and December 27, 2023 as outlined below:

NEO	January 19, 2023		December 27, 2023		
	Stock Option Awarded	RSUs Awarded	Stock Option Awards	RSUs Awarded	PSUs Awarded
Anthony Huston, CEO	702,608	719,178	-	425,285	381,488
Gordon Jang, CFO & Corporate Secretary	140,522	143,836	-	85,057	76,298
Douglas H. Smith, Executive Chairman	327,884	335,616	-	198,467	178,028
Michael Schaffner, Senior Vice-President, Operations	98,365	100,685	-	59,540	53,408
Kevin Torpy, Vice-President, Mining	-	-	47,250	78,750	26,250

Risk Considerations

The Compensation Committee meets to review from time to time, the risks, if any, associated with the Company's compensation policies and practices at such time. Implicit in the Compensation Committee's mandate is that the Company's policies and practices respecting compensation, including those applicable to the Company's executives, be designed in a manner which is in the best interests of the Company and its shareholders, and risk implications is one of many considerations which are taken into account in such design.

It is anticipated that a portion of the Company's executive compensation will consist of options and awards granted under the Stock Option and Omnibus Plan. Such compensation is both "long term" and "at risk" and, accordingly, is directly linked to the achievement of long-term value creation. As the benefits of such compensation, if any, are not realized by the executive until a significant period of time has passed, the ability of executives to take inappropriate or excessive risks that are beneficial to them from the standpoint of their compensation at the expense of the Company and its shareholders is extremely limited.

The other two elements of compensation, salary and bonus, represent the remaining majority portion of an executive's total compensation. Neither salary nor bonus are "long term" and salary is not "at risk".

Due to the small size of the Company, and the current level of the Company's activity, the Board and the Compensation Committee are able to closely monitor and consider any risks which may be associated with the Company's compensation policies and practices. Risks, if any, may be identified and mitigated through regular Board meetings during which, financial and other information of the Company are reviewed, and which incorporation includes executive compensation. No risks have been identified arising from the Company's compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

One-half (50%) of the RSUs vest ratably over three years (one-third per year) and one-

One-third of the RSUs vest ratably over three years (one-third per year) and two-thirds cliff vest on December 27, 2025 (the 3rd anniversary of the grant date).
 - (7) The Company used the Black-Scholes Option Pricing Model to calculate the fair value of the stock options on grant date. Employment, Consulting and Management Agreements

President & CEO Agreement

Since February 1, 2014, the Company has in place an agreement with Huston & Huston Holdings Corp., a private company controlled by Anthony Huston, the President and CEO to provide certain management services to the Company (the “**President & CEO Agreement**”). The President & CEO Agreement was amended whereby the annual fee was increased from \$300,000 in 2022 to \$450,000 per year, effective January 1, 2023. All other terms remain unchanged, except for an inconsequential change of control provision.

Change of Control

If during the term of the President & CEO Agreement, any person or entity acquires effective control over the Company, regardless of the manner in which control is achieved, whether it results from a friendly or hostile takeover of shares or whether Mr. Huston chooses to tender his shares into an offer or whether he makes another agreement with the person or entity who acquires control for the continuation of the management services or for any other benefit, Mr. Huston shall be paid a cash payment, in the event he is terminated within 12 months of a change of control, an amount equal to three (3) times his annual fee (a total of \$1,350,000) at that time. All unvested stock options and equity awards issued under the Company’s Omnibus Plan shall immediately vest and become fully exercisable and non-forfeitable upon a change in control in accordance with the provisions of the Omnibus Plan. If a Change of Control occurs at any time prior to 2024 annual meeting of shareholders, all Company awards that have been approved by the Compensation Committee and the Board of Directors for issuance, but which have been deferred for granting subject to availability under the Omnibus Plan shall be forfeited and cancelled in their entirety in exchange for the target cash value of such deferred awards.

For purposes of this Agreement, a change of control shall have the following meanings:

- (a) the acquisition, directly or indirectly, by any entity, person or group of persons acting jointly or in concert, of common shares of the Company which, when added to all other common shares of the Company at the time held directly or indirectly by such entity, person or group of persons acting jointly or in concert, constitutes for the first time in the aggregate 40% or more of the outstanding common shares of the Company, or
- (b) the removal, by resolution of the shareholders of the Company, of more than 40% of the then incumbent Board of Directors, or the election of more than 40% of the Board who were not incumbent directors at the time immediately preceding such election; or
- (c) the consummation of a sale of all or substantially all of the assets of the Company; or
- (d) the consummation of a reorganization, plan of arrangement, merger or other transaction which has substantially the same effect as the matters set out in subparagraphs (a) to (c) above.

Change of Control

If immediately prior to a Change of Control, or within a one year period after a Change of Control, the Company terminates the employment agreement, or Mr. Smith has “good reason” to terminate his employment, then the Company shall pay Mr. Smith an amount equal to two (2) times his annual base salary (a total of \$550,000) plus any retroactive payment owed, if any, plus continued coverage of extended benefits for the earlier of: (i) a period up to 24 months from the date of termination, or (b) until Mr. Smith becomes eligible to receive health insurance benefits under any other group benefit plan, or (c) reimburse Mr. Smith for out-of-pocket premiums paid to a private insurer. All unvested stock options and equity awards issued under the Company’s Omnibus Plan shall immediately vest and become fully exercisable upon a change of control.

Change of Control

If during the term of Mr. Jang's employment agreement, any person or entity acquires effective control over the Company, regardless of the manner in which control is achieved, whether it results from a friendly or hostile takeover of shares or whether Mr. Jang chooses to tender his shares to an offer or whether it makes another agreement with the person or entity who acquires control for the continuation of the management services or for any other benefit, Mr. Jang shall be paid a cash payment, in the event he is terminated within 12 months of a change of control, an amount equal to two (2) times his annual base salary (a total of \$570,000) at that time and continued coverage of extended benefits for the earlier of (i) a period of up to 24 months from the date of termination, or (b) until Mr. Jang becomes eligible to receive health insurance benefits under any other group benefit plan, or (c) reimburse Mr. Jang for out-of-pocket premiums paid to a private insurer. All unvested stock options and equity awards issued under the Company's Omnibus Plan shall immediately vest and become fully exercisable upon a change of control.

Senior Vice-President, Operations Agreement

Under the terms of the employment agreement with Michael Schaffner, as Senior Vice-President, Operations, Mr. Schaffner's annual base salary increased from \$292,000 to \$350,000, effective April 1, 2023. All other terms remain unchanged.

Change of Control

If during the term of Mr. Schaffner's employment agreement, any person or entity acquires effective control over the Company, regardless of the manner in which control is achieved, whether it results from a friendly or hostile takeover of shares or whether Mr. Schaffner chooses to tender his shares to an offer or whether it makes another agreement with the person or entity who acquires control for the continuation of the management services or for any other benefit, Mr. Schaffner shall be paid a cash payment, in the event he is terminated within 12 months of a change of control, an amount equal to two (2) times his annual base salary (a total of \$700,000) at that time. All unvested stock options and equity awards issued under the Company's Omnibus Plan shall immediately vest and become fully exercisable upon a change of control.

Vice-President, Mining Agreement

Under the terms of the employment agreement with Kevin Torpy, as Vice-President, Mining, Mr. Torpy's annual base salary is \$300,000, effective April 1, 2023.

Change of Control

If during the term of Mr. Torpy's employment agreement, any person or entity acquires effective control over the Company, regardless of the manner in which control is achieved, whether it results from a friendly or hostile takeover of shares or whether Mr. Torpy chooses to tender his shares to an offer or whether it makes another agreement with the person or entity who acquires control for the continuation of the management services or for any other benefit, Mr. Torpy shall be paid a cash payment, in the event he is terminated within 12 months of a change of control, an amount equal to one (1) time his annual base salary (\$300,000) at that time. All unvested stock options and equity awards issued under the Company's Omnibus Plan shall immediately vest and become fully exercisable upon a change of control.

Summary of Change of Control Payments

Assuming that there was a change of control as of the date of this Information Circular, the estimated incremental payments and benefits related to a change of control would total approximately \$3,470,000.

Independent Directors

During the most recently completed financial year, the Company had four directors who were not Named Executive Officers: Scott Packman, Bedi Singh, Brian Budd, and Patrick Smith.

The Board as a whole, following the recommendation of the Compensation Committee, determines the compensation for the CEO and the directors and reviews compensation set by the CEO for other officers and staff. The Compensation Committee is comprised of Scott Packman (Chair), Bedi Singh, Brian Budd and Patrick Smith, who are all independent directors.

In December 2022, the Compensation Committee worked in consultation with their independent advisor ClearBridge to conduct a market review of the existing independent director compensation framework relative to Peer Group practice and established a go-forward program that is intended to attract and compensate highly sought after directors for their time and efforts.

Specifically, based on that market review, the Board approved the following program for independent directors: (i) an annual cash fee of \$30,000 for the performance of their duties as directors of the Company; (ii) a grant of RSUs in the amount of \$175,000; and (iii) an additional annual fee, payable in RSUs, for being on the following Committees:

	Chair	Member
Audit Committee	\$ 17,500	\$ 12,500
Compensation Committee	\$ 12,500	\$ 10,000

RSUs granted to independent directors vest 25% on the 1-year anniversary of the date of grant and 25% for each of the calendar quarters ending March 31, June 30 and September 30.

The independent director compensation is comprised of a cash component and a share-based component. The cash component is intended to cover director's services from one annual shareholder meeting to the next annual shareholder meeting. The share-based component (i.e. RSUs) of a director's compensation vest 25% on the one (1) year anniversary of the grant date and 25% for each of the calendar quarters ending March 31, June 30 and September 30. In the event the independent director is not re-elected by the Company's shareholders for the ensuing term or ceases to be a director of the Company, the independent director will receive pro-rata vesting of the RSUs to the date the independent director ceases to be a director of the Company.

Stock Option Plans and Other Incentive Plans

Other than the Stock Option Plan and the Omnibus Plan, the Company does not currently operate any plans which pay or distribute cash or non-cash compensation to executive officers.

Stock Option Plan

The Stock Option Plan permits the Board of the Company to grant incentive stock options to directors, officers, employees, Management Company Employees (as such term is defined in the policies of the TSXV) and consultants of the Company and its subsidiaries. Pursuant to the Stock Option Plan and policies of the TSXV, options may be granted to acquire a maximum number of Common Shares equal to 10% of the total issued and outstanding Common Shares of the Company at the time of the grant. The aggregate number of Common Shares reserved for issuance pursuant to all security-based compensation granted to any individual optionee in a 12-month period may not exceed 5% of the issued and outstanding Common Shares at the time of the grant (unless the Company has obtained the requisite Disinterested Shareholder Approval (as defined in the Stock Option Plan)). The aggregate number of Common Shares reserved for issuance pursuant to all security-based compensation granted to any one consultant in a 12-month period may not exceed 2% of the issued and outstanding Common Shares at the time of the grant. The aggregate number of Common Shares reserved for issuance to Insiders (as a group) at any point in time shall not exceed 10% of the issued and outstanding Common Shares (unless the Company has obtained the requisite Disinterested Shareholder Approval). The aggregate number of Common Shares reserved for issuance pursuant to all security-based compensation granted to Insiders (as a group) in a 12-month period shall not exceed 10% of the issued and outstanding Common Shares at the time of the grant (unless the Company has obtained the requisite Disinterested Shareholder Approval). The aggregate number of options granted to investor relations service providers in a 12-month period shall not exceed 2% of the issued and outstanding Common Shares at the time of the grant. In addition, options granted to investor relations service providers shall vest such that: (i) no more than 25% vest sooner than three months after the options were granted; (ii) no more than another 25% vest sooner than six months after the options were granted; (iii) no more than another 25% vest sooner than nine months after the options were granted; and (iv) the remainder of the options vest no sooner than 12-months after the options were granted.

The options are non-transferable and will expire, if not exercised; (a) immediately upon termination of employment or removal from office for cause; (b) 90 days following the date the optionee ceases to be a director, officer, consultant or employee of the Company for reasons other than termination of services, termination or removal for cause; (c) one year after the death of an optionee; and (d) on the tenth anniversary of the date the option was granted (subject to extension where the expiry date falls within a "blackout period"). As of the date of the Information Circular (being May 15, 2024), there are 11,330,738 stock options outstanding under the Stock Option Plan.

Under the Stock Option Plan, the option exercise price is determined by the Board, provided that such price must not be lower than the greater of (i) the closing price of the Company's common share on the TSXV on the day immediately preceding the date of grant, less the applicable discount permitted by the policies of the TSXV, and (ii) \$0.05. An option granted under the Stock Option Plan must be exercisable within a period of 10 years from the date of grant, subject to extension pursuant to the Stock Option Plan. Within this 10-year period, the Board of the Company may determine the limitation period during which an option may be exercised and whether a particular grant will have a minimum vesting period.

The vesting provisions of options granted under the Stock Option Plan are determined by the Board, provided however, that in the case of a bona fide take-over bid (as defined under applicable securities laws), all options shall vest automatically, subject to the terms of the Stock Option Plan.

The Stock Option Plan contains a “cashless exercise” provision and a “net exercise” provision. The “cashless exercise” provision provides a mechanism for a brokerage firm to facilitate the exercise of a stock option by loaning funds to the optionee. The “net exercise” provision allows for a method of stock option exercise under which the optionee does not make any payment to the issuer for the exercise of their stock options and receives, on exercise, a number of shares equal to the value (current market price (less the exercise price less withholding taxes, if acceptable to the Company in its discretion)) of the stock option valued at the current market price. Pursuant to the policies of the TSXV, the current market price must be the 5-day volume weighted average trading price prior to stock option exercise. The “net exercise” provision is not available for use by investor relations service providers.

The policies of the TSXV also provide that Disinterested Shareholder Approval will be required for any agreement to decrease the exercise price or extend the term of options, if the optionee is an Insider at the time of the proposed amendment.

The Stock Option Plan is subject to yearly approval by the Company’s shareholders. The Stock Option Plan was implemented effective April 16, 2008 and last approved by the Company’s shareholders on June 29, 2023. A copy of the Stock Option Plan is included as Appendix “A” to this Information Circular.

CORPORATE GOVERNANCE

Board of Directors

The Board is currently comprised of six (6) directors, four (4) of whom are independent using the definition of independence set out in section 1.4 of National Instrument 52-110 – Audit Committees ("NI 52-110"). A director is independent if they have no direct or indirect material relationship to the Company. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. Certain types of relationships are by their very nature considered to be material relationships and are specified in section 1.4 of NI 52-110.

Brian Budd, Patrick Smith, Scott Packman and Bedi Singh are the current four directors on the Board who are independent. Anthony Huston is not independent as he is the President and Chief Executive Officer of the Company. Douglas Smith is not independent as he is the Executive Chairman of the Company.

The size of the Company is such that all of the Company's business operations are conducted by a small management team which is also represented on the Board. The Board considers that management is effectively supervised by the independent directors on an informal basis as the independent directors are actively and regularly involved in reviewing and supervising the operations of the Company and have regular and full access to management. The independent directors are able to meet at any time without members of management and non-independent directors being present. Further supervision is performed through the Audit Committee, which can meet with the Company's Auditors without management in attendance. The independent directors discharge their responsibilities for independent oversight of management through their representation on the Board.

Directorships

None of the Company's current directors are directors of any other issuers that are reporting issuers (or the equivalent).

Orientation and Continuing Education

The Company does not have formal orientation and training programs. New directors are provided with: (a) information respecting the functioning of the Board and its committees, and copies of the Company's governance and other policies; (b) access to recent and historical publicly filed documents of the Company, technical reports and the Company's internal financial information and records; and (c) access to management, technical experts and consultants. Directors also receive ongoing education on the Company's operations by way of management presentations. Directors maintain the skill and knowledge necessary to meet their obligations as directors through a combination of their existing education and experience as business persons and managers, serve as directors of other public issuers and advice from the Company's legal counsel, auditors and other advisers.

Ethical Business Conduct

The Board views good corporate governance as an integral component to the success of the Company and to meet its responsibilities to shareholders. The Board has adopted a written code of business conduct and ethics (the "Code") for its directors, officers, consultants and employees, which can be viewed at www.sedarplus.ca. The Code states basic principles to guide the affairs of the Company. The Company is to conduct its business and affairs honestly and with integrity, using high ethical standards with a view to the best interests of the Company as a whole and to enhance shareholder value. The Code requires compliance with accounting requirements and accuracy of records, mandates compliance with laws in each jurisdiction in which the Company carries on its business, addresses conflicts of interest, requires compliance with the Company's policies, prohibits discrimination, intimidation and harassment, promotes safety and protection of the environment, promotes respect and enhancement of the economic and social situations of communities in which the Company conducts its operations, discourages payments to public officials as well as the giving and receipt of gifts or other personal benefits, and promotes the observance of high ethical standards with companies and individuals with which the Company does material business.

Members of the Board ensure that they and management set an example by conducting the Company's business and dealings with the highest ethical standards. Through management, the Board ensures that employees and consultants are made aware of, and comply with, the Code. Individuals who breach the Code may be subject to disciplinary action including dismissal.

Nomination of Directors

The Company does not have a formal process or committee for proposing new nominees to the Board. The Board is responsible for identifying potential Board candidates. It assesses potential candidates to fill perceived needs on the Board for required skills, education, expertise, independence and other relevant factors.

Other Board Committees

The Board does not have any standing committees other than the Audit Committee and Compensation Committee. As the size of the Company does not warrant a larger Board and as directors are actively involved in the operations

of the Company, the Board has determined that additional Board committees are not necessary at this stage of the Company's development.

Assessments

The Board monitors but does not formally assess the effectiveness of the Board as a whole, the committees of the Board or the performance or contribution of individual directors. The Board satisfies itself that the Board, its committees and individual directors are performing effectively through regular interaction and through open communication with the Executive Chairman and other senior management to ensure that strategic and governance risks and objectives are being addressed on a continuous basis.

Pre-Approval of Policies and Procedures

All non-audit services to be performed by the external auditor that are not reasonably expected to exceed 5% in aggregate of the total fees expected to be paid to the external auditor during the fiscal year are deemed by the Audit Committee to have been pre-approved.

All non-audit services that were not recognized as non-audit services at the time of engagement, must be brought to the attention of the Audit Committee, or an independent member of the Audit Committee to whom the Audit Committee has delegated authority to grant such pre-approvals, for approval prior to the completion of the audit.

For stock options granted to Employees, Management Company Employees or Consultants of the Company or its subsidiaries, the Company and the Optionee are responsible for ensuring and confirming that the Employee,

Appendix A – Stock Option Plan

Management Company Employee or Consultant is a bona fide Employee, Management Company Employee or Consultant.

This Plan must be approved by the shareholders of the Company at the time this Plan is to be implemented and yearly thereafter, at the Company's annual general meeting of shareholders held in accordance with the timing requirements set out in Stock Exchange Policy 3.2 *Filing Requirements and Continuous Disclosure*.

(a) In the event the Company fails to obtain the yearly approval of its shareholders within 15 months of its last annual general meeting of shareholders, then commencing on the earlier of:

- (i) the date of the annual general meeting of the shareholders of the Company at which the Plan was not approved; and
- (ii) the date that is 15 months after the date of the annual general meeting of the shareholders of the Company at which the Plan was last approved,

no Options shall be granted or issued hereunder until the requisite approval of the Plan has been obtained from the shareholders of the Company.

The Board must ensure that any arrangements with Investor Relations Service Providers provide for a mechanism for the monitoring, by the Board, of trading in the securities of the Company by all Investor Relations Service Providers.

6. Exercise of Options.

Unless the Board specifically determines otherwise, the Options granted to an Optionee may be exercised by the Optionee, in whole or in part, from time to time at the Optionee's discretion.

Provided however, that all Options that have not been exercised by the Optionee shall cease to be exercisable and shall expire upon the earliest of:

- (a) the termination of employment, the termination of services or the services agreement in respect of a Consultant, or removal of the Optionee as a director or officer of the Company or its subsidiaries for cause;
- (b) ninety (90) days after the termination of employment, the termination of services or the services agreement in respect of a Consultant (except in the case of an Investor Relations Service Provider, in which case, the Options cease to be exercisable thirty (30) days after the termination of such services), or an Optionee ceasing to be an officer or director for reasons other than termination or removal for cause, unless the Optionee remains an Eligible Person;
- (c) the first anniversary of the death of the Optionee, by the heirs and administrators of an Optionee's estate; and
- (d) the tenth (10) anniversary of the date on which the Option was granted (subject to extension where the expiry date falls within a "blackout period"), pursuant to section 7; or,
- (e) such earlier date as the Board may deem appropriate in its sole discretion at the time the Option was granted.

The exercise of an Option will be contingent upon receipt by the Company of payment of the full exercise price of such Option. No Optionee or legal representative, legatee or distributee in respect of an Optionee shall be considered to be a holder of any Share subject to an Option, unless and until such Share has been fully paid for and issued upon the exercise of the Option. Except in the case of a "net exercise" (as hereinafter defined), the exercise price for the Options is only payable in cash, certified cheque or bank draft.

Subject to the provisions of this Stock Option Plan (including, without limitation, section 8) and Board approval, once an Option has vested and become exercisable, an Optionee may elect to exercise such Option by either:

- (a) excluding Options granted to Investor Relations Service Providers, a “**net exercise**” procedure in which the Company issues to the Optionee, Shares equal to the number determined by dividing (i) the product of the number of Options being exercised multiplied by the difference between the VWAP of the underlying Shares and the exercise price of the subject Options by (ii) the VWAP of the underlying Shares; or
- (b) a broker assisted “**cashless exercise**” in which the Company delivers a copy of irrevocable instructions to a broker engaged for such purposes by the Company to sell the Shares otherwise deliverable upon the exercise of the Options and to deliver promptly to the Company an amount equal to the aggregate exercise price for the number of Shares with respect to which the Option is being exercised, together with the amount necessary to satisfy any applicable tax withholding or remittance obligations under applicable Laws, against delivery of the Shares to settle the applicable trade.

An Option may be exercised pursuant to this section 6 from time to time by delivery to the Company, at its head office or such other place as may be specified by the Company of (i) written notice of exercise specifying that the Optionee has elected to effect such a cashless exercise of the Option, the method of cashless exercise, and the number of Options to be exercised and (ii) payment of the amount necessary to satisfy any applicable tax withholding or remittance obligations under applicable Laws, as verified by the Company to its satisfaction (or by entering into some other arrangement acceptable to the Company in its discretion). The Optionee shall comply with section 8 hereof with regard to any applicable Withholding Obligations (hereinafter defined) and with such other procedures and policies as the Company may prescribe or determine to be necessary or advisable from time to time, including the prior written consent of the Board in connection with such exercise.

7. Blackout Periods.

An Option will be automatically extended past the expiry date of an Option governed by the Stock Option Plan if such expiry date falls within a period (a “**blackout period**”) during which the Company prohibits Optionees from exercising their Options provided that the following requirements are satisfied:

- (a) The blackout period must be formally imposed by the Company pursuant to its internal trading policies. For greater certainty, in the absence of the Company formally imposing a blackout period, the expiry date of any Options will not be automatically extended in any circumstances.
- (b) The blackout period must expire upon the general disclosure of the undisclosed Material Information. The expiry date of the affected Options can be extended to no later than ten (10) business days after the expiry of the blackout period.
- (c) The automatic extension of an Optionee's Options will not be permitted where the Optionee or the Company is subject to a cease trade order (or similar order under securities Laws) in respect of the Company's securities.
- (d) The automatic extension is available to all eligible Optionees under the Stock Option Plan on the same terms and conditions.

8. Taxes.

The Company may withhold from any amount payable to an Optionee, either under this Stock Option Plan or otherwise, such amount as it reasonably believes is necessary to enable the Company to comply with the applicable requirements of any federal, provincial, local, or foreign law, or any administrative policy of any applicable tax authority, relating to the withholding of tax or any other required deductions with respect to options (“**Withholding Obligations**”). The Company may also satisfy any liability for any such Withholding Obligations, on such terms and conditions as the Company may determine in its discretion, by (a) requiring an Optionee, as a condition to the exercise of any Options, to make such arrangements as the Company may require so that the Company can satisfy such Withholding Obligations including, without limitation, requiring the Optionee to remit to the Company in advance, or reimburse the Company for, any such Withholding Obligations or (b) selling on the Optionee's behalf, or requiring the Optionee to sell, any Shares acquired by the Optionee under the Stock Option Plan, or retaining any amount which would otherwise be payable to the Optionee in connection with any such sale.

9. Effect of Take-over Bid.

If a bona fide take-over bid (as defined under applicable securities Laws) (the “**Offer**”) is made for Shares or Convertible Securities which, if successful would result (assuming the conversion, exchange or exercise of the Convertible Securities, if any, that are the subject of the take-over bid) in any Person or Persons acting jointly or in concert (as determined under applicable securities Laws) or Persons associated or affiliated with such Person or Persons (as determined under applicable securities Laws) beneficially, directly or indirectly, owning shares that would, notwithstanding any agreement to the contrary, entitle the holders thereof for the first time to cast at least 50% of the votes attaching to all shares in the capital of the Company that may be cast to elect Directors, the Company shall, immediately upon receipt of notice of the Offer, notify each Optionee of full particulars of the Offer, whereupon all Common Shares subject to such Option will become fully vested and the Option may be exercised in whole or in part by the Optionee so as to permit the Optionee to tender the Common Shares received upon such exercise, pursuant to the Offer. However, if:

- (a) the Offer is not completed within the time specified therein; or
- (b) all of the Shares tendered by the Optionee pursuant to the Offer are not taken up or paid for by the offeror in respect thereof,

then the Shares received upon such exercise, or in the case of clause (b) above, the Shares that are not taken up and paid for may be returned by the Optionee to the Company and reinstated as authorized but unissued Shares and with respect to such returned Shares, the Option shall be reinstated as if it had not been exercised and the terms upon which such Shares were to become vested pursuant to his section shall be reinstated. If any Shares are returned to the Company under this section, the Company shall immediately refund the exercise price to the Optionee for such Shares.

10. Legends.

Certificates for Shares issued upon exercise of Options shall bear such legend as may be required by applicable law or any Stock Exchange on which the Shares are listed for trading.

11. Changes to Shares.

Notwithstanding any other provision of this Stock Option Plan, in the event of any change in the outstanding Shares of the Company by reason of any stock dividend, split, recapitalization, reclassification, amalgamation, merger, consolidation, combination or exchange of Shares or distribution of rights to holders of Shares or any other form of corporate reorganization whatsoever, an equitable adjustment shall be made to any Options then outstanding and the Exercise Price (or Prices) in respect of such Options. Such adjustments shall be made by the Board in its sole discretion and, subject to the prior acceptance of the Stock Exchange (except in relation to a share consolidation or split) and applicable law, shall be conclusive and binding for all purposes of the Stock Option Plan.

12. Necessary Approvals.

The grant of Options, the obligation of the Company to sell and deliver Shares on the exercise of Options, and any amendments to the Stock Option Plan or to the terms of an Option granted under this Stock Option Plan, shall be subject to any approvals required by applicable law or any Stock Exchanges on which the Shares are listed for trading being obtained.

13. Administration of the Stock Option Plan.

The Board may interpret the Stock Option Plan and make all other determinations that it considers in its sole discretion to be necessary or advisable for the administration of the Stock Option Plan. The Board may, in its sole discretion, prescribe, adopt, amend and rescind rules and regulations for carrying out and administering the Stock Option Plan. The interpretation and construction of any provision of the Stock Option Plan by the Board shall be final and conclusive. The administration of the Stock Option Plan shall be the responsibility of the appropriate officers of the Company duly designated for the purposes thereof by the Board and all costs in respect thereof shall be paid by the Company.

14. Amendments to Stock Option Plan or Options.

Subject to obtaining the consent of applicable securities regulatory authorities in those circumstances where such consent is required, and shareholder approval in those circumstances where such approval is required to be obtained by any regulatory authority, the Board may amend, modify or terminate the Stock Option Plan or an Option at any

Appendix A – Stock Option Plan

time if and when it considers it to be advisable to do so in its sole discretion, except with respect to any Option then outstanding under the Stock Option Plan. No such amended Options may be exercised unless and until such approvals are given.

15. Consent to Amend.

The Board may amend any Option with the consent of the affected Optionee and the Stock Exchange, including any shareholder approval required by the Stock Exchange. For greater certainty, Disinterested Shareholder Approval is required for any reduction in the exercise price of an Option or any extension to the term of an Option, if the Optionee is an Insider at the time of the proposed amendment.

16. No Undertaking or Representation.

The Company makes no undertaking or representation as to the future value or price, or as to the listing on any Stock Exchange, of any Shares issued in accordance with the Stock Option Plan.

17. Assignability and Transferability.

Options (and any rights thereunder) shall not be assignable or transferable otherwise than by will or pursuant to the laws of succession or descent and distribution, and, during the lifetime of an Optionee, shall only be exercisable by the Optionee.

18. Compliance with Applicable Law.

If any provision of the Stock Option Plan or any Option contravenes any law or any order, policy, by-law or regulation of any regulatory body or Stock Exchange having jurisdiction or authority over securities of the Company or the Stock Option Plan, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.

19. Enurement.

The Stock Option Plan shall enure to the benefit of, and be binding upon, the Company and its subsidiaries and their respective successors and assigns. The Stock Option Plan shall enure to the benefit of, and be binding upon, an Optionee and the personal representative of a deceased Optionee.

20. Governing Law and Interpretation.

The Stock Option Plan, all option agreements, the grant and exercise of Options hereunder, and the sale, issue and delivery of Shares hereunder upon exercise of Options shall be, as applicable, governed by and construed in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein. - (a) The Omnibus Plan shall be administered by the Committee. The Committee shall have full power and authority, subject to Exchange Rules and the provisions of the Omnibus Plan and subject to such orders or resolutions not inconsistent with Exchange Rules and the provisions of the Omnibus Plan as may from time to time be adopted by the Board, to:

 - v. determine whether, to what extent and under what circumstances Awards may be settled in cash, Shares or other property;

- vi. determine whether, to what extent, and under what circumstances cash, Shares, other property and other amounts payable with respect to an Award made under the Omnibus Plan shall be deferred either automatically or at the election of the Participant;
 - vii. determine whether, to what extent and under what circumstances any Award shall be canceled or suspended, or vesting terms or other restrictions waived or accelerated, provided, however, that in no event shall an Award, or any portion of an Award, be granted with a Vesting Period that is less than one year following date of grant, and vesting may only be accelerated in instances where a Participant ceases to be an Eligible Person by reason of death or a Change of Control;
 - viii. interpret and administer the Omnibus Plan and any instrument or agreement entered into under or in connection with the Omnibus Plan, including any Award Agreement;

- (d) Notwithstanding the foregoing, the Committee shall not have the discretion, power or authority to modify the terms or conditions of any Award that is intended to be exempt from the definition of “salary deferral arrangement” under subsection 248(1) of the ITA if the exercise of such discretion would cause the Award to cease to be exempt from such definition.

5. DEFERRED SHARE UNITS

5.1 Grants.

Awards of Deferred Share Units may be granted hereunder to Participants either alone or in addition to other Awards granted under the Omnibus Plan (a “**Deferred Share Unit Award**”), and such Deferred Share Unit Awards shall also be available as a form of payment of Performance Awards and other earned cash-based incentive compensation. The Committee has absolute discretion to determine whether any consideration (other than services) is to be received by the Company or any Subsidiary as a condition precedent to the grant of Deferred Share Units, subject to such minimum consideration as may be required by applicable law and the Exchange Rules. The Award Agreement shall

specify the Vesting Period for the Deferred Share Units, which in no event shall be less than one year following date of grant.

The terms of Deferred Share Unit Awards need not be the same with respect to each Participant.

5.3 Rights of Holders of Deferred Share Units.

Unless otherwise provided in the Award Agreement, the Deferred Share Unit Award evidences the right for such Participant to receive an Award (or cash payment equal to the Fair Market Price of the Share) upon satisfaction of vesting conditions, retirement, termination or death. A Participant who holds a Deferred Share Unit Award shall only have those rights specifically provided for in the Award Agreement; provided, however, in no event shall the Participant have shareholder rights (including, without limitation, voting rights, any entitlement to dividends, or rights on liquidation) with respect to such Award until the actual underlying Shares are issued and registered to the Participant.

6. RESTRICTED SHARE AND RESTRICTED SHARE UNITS

6.1 Grants.

Awards of Restricted Shares and of Restricted Share Units may be granted hereunder to Participants either alone or in addition to other Awards granted under the Omnibus Plan (a “**Restricted Share Award**” or “**Restricted Share Unit Award**” respectively), and such Restricted Share Awards and Restricted Share Unit Awards shall also be available as a form of payment of Performance Awards and other earned cash-based incentive compensation. The Committee has absolute discretion to determine whether any consideration (other than services) is to be received by the Company or any Subsidiary as a condition precedent to the grant of Restricted Share or Restricted Share Units, subject to such minimum consideration as may be required by applicable law and the Exchange Rules. The Award Agreement shall specify the Vesting Period for the Restricted Share or Restricted Share Units, which in no event shall be less than one year following date of grant.

6.2 Award Agreements.

The terms of any Restricted Share Award or Restricted Share Unit Award granted under the Omnibus Plan shall be set forth in an Award Agreement which shall contain provisions determined by the Committee and not inconsistent with the Omnibus Plan. The terms of Restricted Share Awards and Restricted Share Unit Awards need not be the same with respect to each Participant.

6.3 Rights of Holders of Restricted Share and Restricted Share Units.

Unless otherwise provided in the Award Agreement, beginning on the date of grant of the Restricted Share Award and subject to execution of the Award Agreement, the Participant shall become a shareholder of the Company with respect to all Shares subject to the Award Agreement and shall have all of the rights of a shareholder, including the right to vote such Shares and the right to receive distributions made with respect to such Shares, except as otherwise provided in this Section. A Participant who holds a Restricted Share Unit Award shall only have those rights specifically provided for in the Award Agreement; provided, however, in no event shall the Participant have shareholder rights (including, without limitation, voting rights, any entitlement to dividends, or rights on liquidation) with respect to such Award until the actual underlying Shares are issued and registered to the Participant.

6.4 Issuance of Shares.

Any Restricted Share granted under the Omnibus Plan may be evidenced in such manner as the Board may deem appropriate, including book-entry registration or issuance of a stock certificate or certificates, which certificate or certificates shall be held by the Company. Other Security-Based Awards shall also be available as a form of payment of other Awards granted under the Omnibus Plan and other earned cash-based compensation.

7.2 Award Agreements.

The terms of Other Security-Based Awards granted under the Omnibus Plan shall be set forth in an Award Agreement which shall contain provisions determined by the Committee and not inconsistent with the Omnibus Plan. The terms of such Awards need not be the same with respect to each Participant. Other Security-Based Awards may be subject to vesting restrictions during the Vesting Period as specified by the Committee.

7.3 Payment.

Except as may be provided in an Award Agreement, Other Share- Based Awards may be paid in cash, Shares, other property, or any combination thereof, in the sole discretion of the Committee. Other Security-Based Awards may be paid in a lump sum or in installments or, in accordance with procedures established by the Committee, on a deferred basis subject, in the case of a U.S. Participant, to the requirements of Section 409A of the U.S. Tax Code.

7.4 Deferral of Director Fees; Other Director Awards.

Directors may, if determined by the Board, receive Other Security-Based Awards in the form of Deferred Share Units (or any other Award, subject to the discretion of the Board) in lieu of all or a portion of their annual compensation, if any. In addition, if determined by the Board, Directors may elect to receive Other Security-Based Awards in the form of Deferred Share Units (or any other Award, subject to the discretion of the Board) in lieu of all or a portion of their annual and committee compensation, if any, and annual meeting fees, if any, provided that, in the case of a U.S. Participant, such election is made in accordance with the requirements of Section 409A of the U.S. Tax Code, as applicable. The Committee shall, in its absolute discretion, establish such rules and procedures as it deems appropriate for such elections and for payment in Deferred Share Units, or other Awards, as the case may be.

8. PERFORMANCE AWARDS

8.1 Grants.

Performance Awards, as determined by the Committee in its sole discretion, may be granted hereunder to Participants, for no consideration or for such minimum consideration as may be required by applicable law, either alone or in addition to other Awards granted under the Omnibus Plan. The performance goals for Performance Awards to be achieved for each Performance Period shall be conclusively determined by the Committee and may be based upon such criteria as determined by the Committee in its discretion.

8.2 Award Agreements.

The terms of any Performance Award granted under the Omnibus Plan shall be set forth in an Award Agreement (or, if applicable, in a resolution duly adopted by the Committee) which shall contain provisions determined by the Committee and not inconsistent with the Omnibus Plan, including whether such Awards shall have Dividend Equivalents. The terms of Performance Awards need not be the same with respect to each Participant.

8.3 Terms and Conditions.

The performance criteria to be achieved during any Performance Period and the length of the Performance Period shall be determined by the Committee upon the grant of each Performance Award. The amount of the Award to be distributed shall be conclusively determined by the Committee.

8.4 Payment.

Except as provided in Article 9, as provided by the Committee or as may be provided in an Award Agreement, Performance Awards will be distributed only after the end of the relevant Performance Period. Performance Awards may be paid in cash, Shares, other property, or any combination thereof, in the sole discretion of the Committee. Performance Awards may be paid in a lump sum or in installments following the close of the Performance Period or, in accordance with procedures established by the Committee, on a deferred basis subject to, in the case of a U.S. Participant, the requirements of Section 409A of the U.S. Tax Code.

9. CEASING TO BE AN EMPLOYEE, DIRECTOR OR CONSULTANT

9.1 General Provisions.

Subject to Section 10 and the terms of any applicable Award Agreement, or as otherwise determined by the Committee, upon a Participant ceasing to be an Eligible Person, then:

- (a) for Cause, any vested or unvested Award granted to such Participant shall terminate automatically and become void immediately;
- (b) as a result of his or her employment or service relationship with the Company or a Subsidiary being terminated without Cause (i) any unvested Award granted to such Participant shall terminate and become void immediately and (ii) any vested Award granted to such Participant may be exercised by such Participant or redeemed and settled by the Company. Unless otherwise determined by the Committee (to a maximum of one year next succeeding such cessation, and approval is obtained from the stock exchange on which the Shares trade where required, in its sole discretion), such Award shall only be exercisable or redeemable within 90 days after the Termination Date, after which the Award will expire;
- (c) as a result of his or her resignation from the Company or a Subsidiary, (i) each unvested Award granted to such Participant shall terminate and become void immediately upon resignation and (ii) each vested Award granted to such Participant will cease to be exercisable or redeemable 90 days following the Termination Date, after which the Award will expire;
- (d) by reason of retirement or permanent disability, (i) any unvested Award shall terminate and become void immediately, and (ii) any vested Award will cease to be exercisable or redeemable 90 days from the date of retirement or the date on which the Participant ceases his or her employment or service relationship with the Company or a Subsidiary by reason of permanent disability, after which the Award will expire;
- (e) by reason of death, any vested Award granted to such Participant may be exercised by the liquidator, executor or administrator, as the case may be, of the estate of the Participant for that number of Shares only which such Participant was entitled to acquire under the respective Award (the “**Vested Awards**”) on the date of such Participant’s death. Such Vested Awards shall only be exercisable or redeemable within twelve months after the Participant’s death or prior to the expiration of the original term of the Award whichever occurs earlier;
- (f) by reason of electing a voluntary leave of absence of more than twelve months, including maternity and paternity leaves, the Board may determine, at its sole discretion but subject to applicable laws, that such Participant’s participation in the Omnibus Plan shall be terminated, provided that all vested Awards granted to the Participant shall remain outstanding and in effect until the applicable exercise or redemption date, or an earlier date determined by the Board at its sole discretion.

9.2 Discretion of the Committee.

Subject to the terms of this Omnibus Plan, and the approval of the Exchange and/or the shareholders of the Company (as applicable), the Committee may:

- (a) allow unvested Awards to be treated as vested Awards upon a Participant ceasing to be an Eligible Person by reason of death or a Change of Control;

- (b) provide that Awards with respect to certain classes, types or groups of Participants will have different forfeiture, termination, continuation or other terms than other classes, types or groups of Participants;
- (c) provide for the continuation of any Award for a period not exceeding 12 months, upon such terms and condition as determined by the Committee, in the event that a Participant ceases to be an Eligible Person; or
- (d) set out other terms for the exercise or termination of Awards in the event that a Participant ceases to be an Eligible Person.

10. CHANGE IN CONTROL PROVISIONS

10.1 Impact of Change of Control.

The following provisions will apply to Awards in the event of a Change of Control unless otherwise provided in an Award Agreement or any other written agreement between the Company or any Subsidiary and the Participant or unless otherwise expressly provided by the Board at the time of grant of an Award. In the event of a Change of Control, then, notwithstanding any other provision of the Omnibus Plan, the Board will take one or more of the following actions with respect to Awards, contingent upon the closing or completion of the Change of Control:

- (a) arrange for the surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company) to assume or continue the Award or to substitute a similar award (including, but not limited to, an award to acquire the same consideration paid to the shareholders of the Company pursuant to the Change of Control);
- (b) arrange for the assignment of any reacquisition or repurchase rights held by the Company in respect of Shares issued pursuant to the Award to the surviving corporation or acquiring corporation (or the surviving or acquiring corporation's parent company);
- (c) accelerate the vesting, subject to Exchange approval, in whole or in part, of the Award (and, if applicable, the time at which the Award may be exercised) to a date prior to the effective time of such Change of Control as the Board determines (or, if the Board does not determine such a date, to the date that is five days prior to the effective date of the Change of Control), with such Award terminating if not exercised (if applicable) at or prior to the effective time of the Change of Control in accordance with the exercise procedures determined by the Board (in all cases with such acceleration of vesting and exercisability still contingent upon the closing or completion of the Change of Control as provided above, and with any such acceleration of vesting and/or exercise to be unwound if the Change of Control does not actually occur);
- (d) arrange for the lapse, in whole or in part, of any reacquisition or repurchase rights held by the Company with respect to the Award;
- (e) cancel or arrange for the cancellation of the Award, to the extent not vested or not exercised prior to the effective time of the Change of Control, in exchange for no consideration or such consideration, if any, as the Board, in its sole discretion, may consider appropriate; or
- (f) cancel or arrange for the cancellation of the Award, to the extent not vested or not exercised prior to the effective time of the Change of Control, in exchange for a payment, in such form as may be determined by the Board, equal to the excess, if any, of (i) the per share amount (or value of property per share) payable to holders of common shares in connection with the Change of Control, over (ii) the per share exercise price under the applicable Award, multiplied by the number of Shares subject to the Award. For clarity, this payment may be \$0 if the amount per share (or value of property per share) payable to the holders of the Shares is equal to or less than the per share exercise price of the Award. In addition, any escrow, holdback, earnout or similar provisions in the definitive agreement for the Change of Control may apply to such payment to the holder of the Award to the same extent and in the same manner as such provisions apply to the holders of Shares.

The Board need not take the same action or actions with respect to all Awards or portions thereof or with respect to all Participants.

10.2 Appointment of Shareholder Representative.

As a condition to the receipt of an Award under this Omnibus Plan, a Participant will be deemed to have agreed that the Award will be subject to the terms of any agreement governing a Change of Control involving the Company, including, without limitation, a provision for the appointment of a shareholder representative that is authorized to act on the Participant's behalf with respect to any escrow or other contingent consideration.

10.3 Change of Control.

- (a) Unless otherwise provided in an Award Agreement, “**Change of Control**” means the occurrence of any one of the following events (provided, however, that any definition of Change of Control in an Award Agreement may not provide that a Change of Control will occur prior to consummation or effectiveness of a change in control of the Company and may not provide that a Change of Control will occur upon the announcement, commencement, shareholder approval or other potential occurrence of any event or transaction that, if completed, would result in a change in control of the Company):
- i. an acquisition by a Person, or one or more Persons acting jointly or in concert, of the beneficial ownership of securities of the Company resulting in such Person or Persons holding securities representing more than 50% of the combined voting power of the Company’s then outstanding securities other than by virtue of a merger, consolidation, plan of arrangement, amalgamation or similar transaction. Notwithstanding the foregoing, a Change of Control shall not be deemed to occur solely because the level of ownership held by a person, entity or group exceeds the designated percentage threshold of the outstanding voting securities as a result of a repurchase or other acquisition of voting securities by the Company reducing the number of shares outstanding, provided that if a Change of Control would occur (but for the operation of this sentence) as a result of the acquisition of voting securities by the Company, and after such share acquisition, a person, entity or group becomes the owner of any additional voting securities that, assuming the repurchase or other acquisition had not occurred, increases the percentage of the then outstanding voting securities owned by such person, entity or group over the designated percentage threshold, then a Change of Control shall be deemed to occur;
 - ii. there is consummated a merger, consolidation, plan of arrangement, amalgamation or similar transaction involving (directly or indirectly) the Company and, immediately after the consummation of such merger, consolidation, plan of arrangement, amalgamation or similar transaction, the shareholders of the Company immediately prior thereto do not own, directly or indirectly, outstanding voting securities representing more than 50% of the combined outstanding voting power of the surviving entity in such merger, consolidation, plan of arrangement, amalgamation or similar transaction or more than 50% of the combined outstanding voting power of the parent of the surviving entity in such merger, consolidation, plan of arrangement, amalgamation or similar transaction;
 - iii. there is consummated a sale or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries, other than a sale, lease, license or other disposition of all or substantially all of the consolidated assets of the Company and its Subsidiaries to an entity, more than 50% of the combined voting power of the voting securities of which are owned by shareholders of the Company in substantially the same proportions as their ownership of the Company immediately prior to such sale, lease, license or other disposition; or
 - iv. individuals who, on the effective date of the Omnibus Plan, are members of the Board (the “**Incumbent Board**”) cease for any reason to constitute at least a majority of the members of the Board; provided, however, that if the appointment or election (or nomination for election) of any new Board member was approved or recommended by a majority vote of the members of the Incumbent Board then still in office, such new member will, for purposes of this Omnibus Plan, be considered as a member of the Incumbent Board.

11. GENERALLY APPLICABLE PROVISIONS

11.1 Approval Required for Omnibus Plan.

Prior to its implementation by the Company, the Omnibus Plan is subject to approval by the Exchange and approval of the shareholders of the Company.

11.2 Amendment and Termination of the Omnibus Plan.

- (a) Subject to approval by the Exchange, the Board may suspend or terminate the Omnibus Plan at any time, or from time to time amend or revise the terms of the Omnibus Plan or any granted Award without the consent of the Participants provided that such suspension, termination, amendment or revision shall:
 - i. not adversely alter or impair the rights of any Participant, without the consent of such Participant except as permitted by the provisions of the Omnibus Plan;
 - ii. be in compliance with applicable law and Exchange Rules; and
 - iii. be subject to shareholder approval including Disinterested Shareholder Approval if applicable, where required by law or the Exchange Rules, provided that the Committee may, from time to time, and without approval of the shareholders of the Company make amendments to fix typographical errors and to clarify the existing provisions of the Omnibus Plan that do not have the effect of altering the scope, nature and intent of such provisions.
- (b) Notwithstanding Section 11.2(a), the Board shall be required to obtain shareholder approval or Disinterested Shareholder Approval, if required by the Exchange Rules, to make the following amendments:
 - i. the addition of additional categories of Eligible Persons;
 - ii. any increase to the maximum number of Shares issuable under the Omnibus Plan except in the event of an adjustment pursuant to Section 11.3;
 - iii. any amendment which extends the expiry date of any Award, with Disinterested Shareholder Approval being required if the Participant is an insider at the time of the proposed extension;
 - iv. any amendment which results in the reduction in the exercise price of an Award, with Disinterested Shareholder Approval being required if the Participant is an insider at the time of the proposed amendment;
 - v. any amendment resulting in a benefit to an insider, which shall require Disinterested Shareholder Approval;
 - vi. any amendment to the amendment provisions of the Omnibus Plan; or
 - vii. any other amendment required to be approved by shareholders, or requiring Disinterested Shareholder Approval, under applicable law or the Exchange Rules.

11.3 Adjustments.

In the event of any merger, plan of arrangement, amalgamation, reorganization, consolidation, recapitalization, dividend or distribution (whether in cash, shares or other property, other than a regular cash dividend), stock split, reverse stock split, spin-off or similar transaction or other change in corporate structure affecting the Shares or the value thereof, subject to the prior acceptance of the Exchange (except in relation to a Share consolidation or split), such adjustments and other substitutions shall be made to the Omnibus Plan and to Awards in a manner the Committee deems equitable or appropriate taking into consideration the accounting and tax consequences, including such adjustments in the aggregate number, class and kind of securities that may be delivered under the Omnibus Plan and, in the aggregate or to any Participant, in the number, class, kind and exercise price of securities subject to outstanding Awards granted under the Omnibus Plan (including, if the Committee deems appropriate, the substitution of similar options to purchase the shares of, or other awards denominated in the shares of, another company); provided, however, that the number of Shares subject to any Award shall always be a whole number.

11.4 Transferability of Awards.

Except as specifically provided in an Award Agreement approved by the Committee, each Award granted under the Omnibus Plan is personal to the Participant and shall not be assignable or transferable by the Participant, whether voluntarily or by operation of law, except by will or by the laws of succession of the domicile of the deceased Participant. Notwithstanding the foregoing, to the extent and under such terms and conditions as determined by the Committee, a Participant may assign or transfer an Award without consideration (each transferee thereof, a “**Permitted Assignee**”) (i) to a trust which the Participant is a beneficiary of; (ii) to a holding entity (as such term is defined in NI 45- 106 of such Participant); or (iii) to an RRSP, RRIF or TFSA of such Participant; provided that such Permitted Assignee shall be bound by and subject to all of the terms and conditions of the Omnibus Plan and the Award Agreement relating to the transferred Award and shall execute an agreement satisfactory to the Company evidencing such obligations; and provided further that such Participant shall remain bound by the terms and conditions of the Omnibus Plan. The Company shall cooperate with any Permitted Assignee and the Company’s transfer agent in effectuating any such permitted transfer. No Award granted hereunder may be pledged, hypothecated, charged, transferred, assigned or otherwise encumbered or disposed of on pain of nullity.

11.5 Termination of Employment or Services.

The date of termination of a Participant’s employment or services will be determined by the Committee, which determination will be final.

11.6 Grant of Awards.

Notwithstanding any express or implied term of this Omnibus Plan to the contrary, the granting of an Award pursuant to the Omnibus Plan shall in no way be construed as a guarantee by the Company or a Subsidiary to the Participant of employment or another service relationship with the Company or a Subsidiary. The granting of an Award to a Participant shall not impose upon the Company or a Subsidiary any obligation to retain the Participant in its employ or service in any capacity. Nothing contained in this Omnibus Plan or in any Award granted under this Omnibus Plan shall interfere in any way with the rights of the Company or any of its Subsidiaries in connection with the employment, retention or termination of any such Participant. The loss of existing or potential profit in Shares underlying Awards granted under this Omnibus Plan shall not constitute an element of damages in the event of termination of a Participant’s employment or service in any office or otherwise.

11.7 Conformity to Omnibus Plan.

In the event that an Award is granted or an Award Agreement is executed which does not conform in all particulars with the provisions of the Omnibus Plan, or purports to grant Awards on terms different from those set out in the Omnibus Plan, the Award or the grant of such Award shall not be in any way void or invalidated, but the Award so granted will be adjusted to become, in all respects, in conformity with the Omnibus Plan.

11.8 Rights as a Shareholder.

Subject to Section 6.3, neither the Participant nor such Participant’s personal representatives or legatees shall have any rights whatsoever as shareholder in respect of any Shares covered by such Participant’s Awards by reason of the grant of such Award until such Award has been duly exercised, as applicable, and settled and Shares have been issued in respect thereof. Without in any way limiting the generality of the foregoing, no adjustment shall be made for dividends or other rights for which the record date is prior to the date such Shares have been issued.

11.9 Deferral.

The Committee shall be authorized to establish procedures pursuant to which the payment of any Award may be deferred.

11.10 Dividend Equivalents.

Subject to the provisions of the Omnibus Plan (including specifically, but not limited to, the limits prescribed by Section 3.1(a)(i) hereof) and any Award Agreement, the recipient of an Award may, if so determined by the Committee, be entitled to receive, currently or on a deferred basis, amounts equivalent to cash, stock or other property dividends on Shares (“**Dividend Equivalents**”) with respect to the number of Shares covered by the Award, as determined by the Committee, in its sole discretion. The Committee may provide that the Dividend Equivalents (if any) shall be deemed to have been reinvested in additional Shares or otherwise reinvested or accumulated and

11.11 Change in Time Commitment.

In the event a Participant's regular level of time commitment in the performance of his or her services for the Company and any Subsidiary is reduced (for example, and without limitation, if the Participant is an Employee and the Employee has a change in status from a full-time Employee to a part-time Employee or takes an extended leave of absence) after the date of grant of any Award to the Participant, the Board has the right in its sole discretion to (x) make a corresponding reduction in the number of shares or cash amount subject to any portion of such Award that is scheduled to vest or become payable after the date of such change in time commitment, and (y) in lieu of or in combination with such a reduction, extend the vesting or payment schedule applicable to such Award. In the event of any such reduction, the Participant will have no right with respect to any portion of the Award that is so reduced or extended.

12. MISCELLANEOUS

12.1 Award Agreements.

Each Award Agreement shall either be (a) in writing in a form approved by the Committee and executed by the Company by an officer duly authorized to act on its behalf, or (b) an electronic notice in a form approved by the Committee and recorded by the Company (or its designee) in an electronic recordkeeping system used for the purpose of tracking one or more types of Awards as the Committee may provide; in each case and if required by the Committee, the Award Agreement shall be executed or otherwise electronically accepted by the recipient of the Award in such form and manner as the Committee may require. The Committee may authorize any officer of the Company to execute any or all Award Agreements on behalf of the Company. The Award Agreement shall set forth the material terms and conditions of the Award as established by the Committee consistent with the provisions of the Omnibus Plan.

12.2 Tax Withholding.

- (a) Notwithstanding any other provision of this Omnibus Plan, all distributions, delivery of Shares or payments to a Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) under the Omnibus Plan shall be made net of such withholdings, including in respect of applicable taxes and source deductions, as the Company determines. If the event giving rise to the withholding obligation involves an issuance or delivery of Shares, then, the withholding may be satisfied in such manner as the Committee determines, including by (i) having the Participant elect to have the appropriate number of such Shares sold by the Company, the Company's transfer agent and registrar or any trustee appointed by the Company pursuant to Section 12.2 hereof, on behalf of and as agent for the Participant as soon as permissible and practicable, with the proceeds of such sale being delivered to the Company, which will in turn remit such amounts to the appropriate governmental authorities, (ii) requiring that the Participant remit, at or before the exercise of such Award, payment in cash of an amount equal to such withholding obligation in respect of such exercise; or (iii) any other mechanism as may be required or determined by the Company as appropriate.
- (b) Notwithstanding Section 12.2(a), the applicable tax withholdings may be waived where a Participant directs in writing that a payment be made directly to the Participant's registered retirement savings plan in circumstances to which subsection 100(3) of the regulations made under the Tax Act apply.

12.3 Right of Discharge Reserved; Claims to Awards.

Nothing in the Omnibus Plan nor the grant of an Award hereunder shall confer upon any Employee, Director or Consultant the right to continue in the employment or service of the Company or any Subsidiary or affect any right that the Company or any Subsidiary may have to terminate the employment or service of (or to demote or to exclude from future Awards under the Omnibus Plan) any such Employee, Director or Consultant at any time for any reason. The Company shall not be liable for the loss of existing or potential profit from an Award granted in the event of termination of an employment or other relationship. No Employee, Director or Consultant shall have any claim to be granted any Award under the Omnibus Plan, and there is no obligation for uniformity of treatment of Employees, Directors or Consultants under the Omnibus Plan.

12.4 Substitute Awards.

Notwithstanding any other provision of the Omnibus Plan, the terms of Substitute Awards may vary from the terms set forth in the Omnibus Plan to the extent the Committee deems appropriate to conform, in whole or in part, to the provisions of the awards in substitution for which they are granted.

12.5 Clawback.

Notwithstanding any other provisions in this Omnibus Plan, any Award which is subject to recovery under any law, government regulation or stock exchange listing requirement or any policy adopted by the Company, will be subject to such deductions and clawback as may be required to be made pursuant to such law, government regulation stock exchange listing requirement or policy. Without limiting the generality of the foregoing, the proceeds from the exercise or disposition of Awards or Shares acquired under Awards will be subject to forfeiture and disgorgement to the Company, with interest and other related earnings, if the Participant to whom the Award was granted violates (i) a non-competition, non-solicitation, confidentiality or other restrictive covenant by which he or she is bound, or (ii) any policy adopted by the Company applicable to the Participant that provides for forfeiture or disgorgement with respect to incentive compensation that includes Awards under the Omnibus Plan. In addition, the Committee may require forfeiture and disgorgement to the Company of outstanding Awards and the proceeds from the exercise or disposition of Awards or Shares acquired under Awards, with interest and other related earnings, to the extent required by law or Exchange Rules, including any related policy adopted by the Company. Each Participant, by accepting or being deemed to have accepted an Award under the Omnibus Plan, agrees to cooperate fully with the Committee, and to cause any and all Permitted Transferees of the Participant to cooperate fully with the Committee, to effectuate any forfeiture or disgorgement required hereunder. Neither the Committee nor the Company nor any other person, other than the Participant and his or her Permitted Transferees, if any, will be responsible for any adverse tax or other consequences to a Participant or his or her Permitted Transferees, if any, that may arise in connection with this Section 12.5.

12.6 Securities Law Compliance.

- (a) The Omnibus Plan (including any amendments to it), the terms of the grant of any Award under the Omnibus Plan, the grant of any Award and exercise of any Award, and the Company's obligation to sell and deliver Shares in respect of any Awards, shall be subject to all applicable federal, provincial, state and foreign laws, rules and regulations, the Exchange Rules and to such approvals by any regulatory or governmental agency as may, as determined by the Company, be required. The Company shall not be obliged by any provision of the Omnibus Plan or the grant of any Award hereunder to issue, sell or deliver Shares in violation of such laws, rules and regulations or any condition of such approvals.
- (b) The Company shall have no obligation to issue any Shares pursuant to this Omnibus Plan unless upon official notice of issuance such Shares shall have been duly listed with the Exchange. Shares issued, sold or delivered to Participants under the Omnibus Plan may be subject to limitations on sale or resale under applicable securities laws.

12.7 Nature of Payments.

All Awards made pursuant to the Omnibus Plan are in consideration of services performed or to be performed for the Company or any Subsidiary, division or business unit of the Company or a Subsidiary. Any income or gain realized pursuant to Awards under the Omnibus Plan constitutes a special incentive payment to the Participant and shall not be taken into account, to the extent permissible under applicable law, as compensation for purposes of any of the employee benefit plans of the Company or any Subsidiary except as may be determined by the Committee or by the Board or board of directors of the applicable Subsidiary (or as may be required by the terms of such plan).

12.8 Listing of Shares.

So long as the Shares are listed on the Exchange, the Company must apply to the Exchange for the listing or quotation, as applicable, of the Shares underlying the Awards granted under the Omnibus Plan, however, the Company cannot guarantee that such Shares will be listed or quoted on the Exchange.

12.9 Other Plans.

Nothing contained in the shall prevent the Board from adopting other or additional compensation arrangements, subject to shareholder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases.

12.10 Severability.

The invalidity or unenforceability of any provision of the Omnibus Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Omnibus Plan.

12.11 Governing Law.

The Omnibus Plan and all matters to which reference is made herein shall be governed by and interpreted in accordance with the laws of the Province of British Columbia and the laws of Canada applicable therein.

12.12 Effective Date of Omnibus Plan; Termination of Omnibus Plan.

The Omnibus Plan shall be effective on the date of the approval of the Omnibus Plan by the holders of the shares entitled to vote at a duly constituted meeting of the shareholders of the Company. The Omnibus Plan shall be null and void and of no effect if the foregoing condition is not fulfilled and in such event each Award shall, notwithstanding any of the preceding provisions of the Omnibus Plan, be null and void and of no effect. Awards may be granted under the Omnibus Plan at any time and from time to time until the Omnibus Plan is terminated by the Board, on which date the Omnibus Plan will expire except as to Awards then outstanding under the Omnibus Plan. Such outstanding Awards shall remain in effect until they have been exercised or terminated, or have expired.

12.13 No Restriction on Corporate Actions.

The existence of any Awards shall not affect in any way the right or power of the Company or its shareholders to make or authorize any adjustment, reclassification, recapitalization, reorganization or other change in the Company's capital structure or its business, or any amalgamation, arrangement, combination, merger or consolidation involving the Company or to create, issue, redeem or repurchase any bonds, debentures, shares or other securities of the Company or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

12.14 Foreign Employees and Consultants.

Awards may be granted to Participants who are foreign nationals or employed or providing services outside Canada, or both, on such terms and conditions different from those applicable to Awards to Employees or Consultants providing services in Canada as may, in the judgment of the Committee, be necessary or desirable in order to recognize differences in local law or tax policy. The Committee also may impose conditions on the exercise or vesting of Awards in order to minimize the Company's obligation with respect to tax equalization for Employees or Consultants on assignments outside their home country.

12.15 No Obligation to Notify or Minimize Taxes; No Liability for Taxes.

The Company has no duty or obligation to any Participant to advise such holder as to the time or manner of exercising any Award. Furthermore, the Company has no duty or obligation to warn or otherwise advise such holder of a pending termination or expiration of an Award or a possible period in which the Award may not be exercised. The Company has no duty or obligation to minimize the tax consequences of an Award to the holder of such Award and will not be liable to any holder of an Award for any adverse tax consequences to such holder in connection with an Award. As a condition to accepting an Award under the Omnibus Plan, each Participant (i) agrees to not make any claim against the Company, or any of its officers, Directors, Employees, Affiliates, agents or advisors related to tax liabilities arising from such Award or other Company compensation and (ii) acknowledges that such Participant was advised to consult with his or her own personal tax, financial and other legal advisors regarding the tax consequences of the Award and has either done so or knowingly and voluntarily declined to do so.

12.16 No Registration Rights; No Right to Settle in Cash.

The Company has no obligation to register with any governmental body or organization (including, without limitation, the SEC) any of (a) the offer or issuance of any Award, (b) any Shares issuable upon the exercise of any Award, or (c) the sale of any Shares issued upon exercise of any Award, regardless of whether the Company in fact

undertakes to register any of the foregoing. In particular, in the event that any of (x) any offer or issuance of any Award, (y) any Shares issuable upon exercise of any Award, or (z) the sale of any Shares issued upon exercise of any Award are not registered with any governmental body or organization (including, without limitation, the SEC), the Company will not under any circumstance be required to settle its obligations, if any, under this Omnibus Plan in cash.

12.17 Participant Information.

Each Participant shall provide the Company with all information (including personal information) required by the Company in order to administer the Omnibus Plan. Each Participant acknowledges that information required by the Company in order to administer the Omnibus Plan may be disclosed to any custodian appointed in respect of the Omnibus Plan and other third parties including the Exchange, and may be disclosed to such persons (including persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of the Omnibus Plan. Each Participant consents to such disclosure and authorizes the Company to make such disclosure on the Participant's behalf.

12.18 Indemnity.

To the extent allowable pursuant to applicable law, each member of the Committee or of the Board and any person to whom the Committee has delegated any of its authority under the Omnibus Plan shall be indemnified and held harmless by the Company from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such person in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action or failure to act pursuant to the Omnibus Plan and against and from any and all amounts paid by him or her in satisfaction of judgment in such action, suit, or proceeding against him or her; provided, that in relation to the subject matter of the proceeding the indemnitee acted honestly and in good faith with a view to the best interests of the Company or the Subsidiary, as applicable, and in the case of a proceeding other than a civil proceeding, the indemnitee had reasonable grounds for believing that his conduct in respect of which the proceeding was brought was lawful and, further provided, he or she gives the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled pursuant to applicable law or the Company's Articles, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

12.19 Corporate Action Constituting Grant of Awards.

Corporate action constituting a grant by the Company of an Award to any Participant will be deemed completed as of the date of such corporate action, unless otherwise determined by the Committee, regardless of when the instrument, certificate, or letter evidencing the Award is communicated to, or actually received or accepted by, the Participant. In the event that the corporate records (e.g., Committee or Board consents, resolutions or minutes) documenting the corporate action approving the grant contain terms (e.g., exercise price, vesting schedule or number of Shares) that are inconsistent with those in the Award Agreement or related grant documents as a result of a clerical error in the papering of the Award Agreement or related grant documents, the corporate records will control and the Participant will have no legally binding right to the incorrect term in the Award Agreement or related grant documents.
